

**One** of the country's leading privately-owned steel stockholders

**24-hour** working pattern providing the steel you need, delivered when and where you need it

Full in-house **processing and finishing capabilities**  
(saw cutting, drilling, shot-blasting and painting, high def profiling, precision laser cutting, shearing and punching)

**Next day delivery**  
available on all group stock

**Owned fleet of vehicles**  
on the road every day across the UK

**Two** steel service processing centres

**Huge product range**  
quality materials available in different sizes, forms and finishes

**Outstanding** reputation for service and reliability

**Profitable and successful**  
turnover has increased year-on-year for the last 16 years

Our accreditations to **BS EN1090 EXC4, ISO 9001:2015, ISO 14001** and **ISO 45001** demonstrate our ongoing commitment to quality, environmental and health and safety management
